

21 VICTIMS
IN BIG WRECK

Terrible Catastrophe at Middletown, Ohio

THERE MAY BE MORE DEAD

Express Train Crashed into a Freight Because of a Misunderstanding of Orders—Ruins Are Being Searched at Present.

Middletown, O., July 5.—The body of an unidentified man removed to-day makes the number of dead in the wreck of the Twentieth Century Limited with a freight train on the Cincinnati, Hamilton & Dayton line, yesterday, to be 21. The victims are largely from Ohio cities and towns. Rescue parties are still working in the ruins, believing that there are other dead within. One body of the unidentified is thought to be Prof. John Duxbury of Manchester, England, who is missing. The exact list of the casualties will not be known for several days.

The dead are:
R. Baker, Cincinnati.
H. Smith, Dayton.
Smith Kirk, Dayton.
George Frohde, Dayton.
Frank Golden, passenger train brakeman.
John W. Cooley, McCutcheonville, Ohio.
Miss Fay H. Daubeney, Pleasantville, Ohio.

Ray B. Snyder, London, Ont.
A. S. Garrigue, Columbus.
Richard Van Horn, Dayton.
Charles H. Meadon, Youngstown.
Mrs. Jesse D. Bodey, Dayton.
William Dunlevy.
King Yan Tien, Columbus.
C. B. Grant, Springfield.
Unidentified woman, about 40 years.
Unidentified man, initials "W. A." on clothing.
Unidentified man, perhaps Prof. John Duxbury.

Three unidentified men, supposed to be from Dayton.
The trains were the Cincinnati section of the Twentieth Century Limited over the Cleveland, Cincinnati, Chicago & St. Louis railroad (Big Four) and the second section of a freight train on the Cincinnati, Hamilton and Dayton road.

The latter was attempting to make a siding to give the passenger train a clear track, when the limited, traveling at a speed of fifty miles an hour, flashed around a curve and dashed into it.

The Big Four train had been derailed to avoid a blocked track on that road at Genoa, a few miles south of here, caused by a freight wreck earlier in the day. In addition to its regular crew it carried a pilot engineer of the Cincinnati, Hamilton and Dayton road, who was practically in charge of the train.

A misunderstanding of orders caused the disaster, which was one of the worst this section of the country has ever experienced.

PAGE SAYS FLEETWOOD IN 1912.

Made Speech at Lamotte County Convention.

Hyde Park, July 5.—At the Republican county convention held at Hyde Park, Sunday, James Leavens of Cambridge was chairman and E. C. Page of Hyde Park secretary. The following ticket was nominated: Senator, A. A. Pike, Stowe; state attorney, M. P. Maurice, Morrisville; assistant judges, D. C. Walker, Cambridge, N. B. Mower, Eden; sheriff, George E. Town, Morrisville; judge probate, E. C. Page, Hyde Park; high bailiff, L. S. Morley, Jeffersonville.

Resolutions were adopted favoring the direct primary, publication of campaign expenses and endorsing Senator Page. Senator Page addressed the convention in an informal way, telling it of some of the work of the past season and the strength and courage of President Taft. He congratulated the people of Lamotte county on the state ticket just placed in nomination at Montpelier and also on the fact that in 1912 F. G. Fleetwood would be the nominee of the party for governor. This drew a hearty round of applause.

Dartmouth.

New Hampshire people are proud of Dartmouth college and, with reason. None of the great colleges can point to a prouder history nor a more honorable record. Dartmouth men have served the nation with credit to themselves and their alma mater in a hundred capacities and they have made good in places great and small, to the benefit of the state and communities in which they have done their life work.

We still think of Dartmouth as one of the small American colleges, although its student enrollment has reached figures that lift it out of the class in which we have been accustomed to place it. Its growth has been so wonderful that we have been unable to adapt ourselves mentally to changed conditions. Ten years ago, those in control of its destinies were striving to attract young men to Dartmouth; for the past year or two the problem has been how to limit the attendance so that the facilities for the accommodation of students might not be too greatly overtaxed.

In large measure, of course, this growth has been due to the wonderful administrative ability of former President Tucker, who may fairly be called the father of the new Dartmouth. The task of his successor will be to hold what Doctor Tucker gained, while at the same time guiding the development of the college along those lines which modern educators regard as the correct ones.

The history of the first year of the administration of President Nichols gives credence to the friends of Dartmouth that he will be found equal to his task and that Dartmouth under his guidance will continue to go forward, while at the same time retaining those distinctive features which have had so much to do with the development of the Dartmouth spirit that has so often won our education—Concord Monitor.

NEGROES LYNCHED.

Taken from Jail After Having Killed Farmer.

Cape Girardeau, Mo., July 5.—Two negroes were taken from the county jail at 5 o'clock Sunday morning and lynched by a crowd of 350 whites, most of them farmers, who had been aroused from their slumbers in an hour's time.

The negroes both strangers and their names unknown and had been employed as harvest hands by a farmer living three miles from Charleston. During the night the two negroes went into the barn where they had been sleeping. Three white men in the barn overheard the negroes talking of a killing, waited until the negroes had gone to sleep and then made a search and by the roadside found the body of the man who had been shot and also had been beaten with rocks.

They went to Charleston and notified the sheriff, who summoned a posse and returned to Anderson's farm, where they found the two negroes still sleeping. The negroes were arrested at 4 o'clock and taken to Charleston jail and by 5 o'clock a crowd of farmers assembled at the jail and after battering down the doors took the two negroes out. One was hanged to a tree in the court house yard and his body riddled with bullets. The other negro was strung up to a telegraph pole and his body full of holes. The man who had been murdered was a farmer named William Fox, who was returning from Charleston and had almost reached the gate leading into his home when the negroes assaulted him.

JEFFRIES GOING BACK
TO HIS FARM, SILENT

Johnson and Mrs. Johnson Held a Revel Last Night Before Departing for the East. Jeff Saw Two Johnsons.

Reno, Nevada, July 5.—The opinion is general here that Jeffries' defeat was caused by a punch in the eye in the second round. The minute it landed Jim was dazed and from then on stepped in to the latest sort of punches to avoid. A punch on the right eye had hit a sympathetic nerve and the left eye was as bad. "I can see two Johnsons," said Jeff to Coach "I hit with my hand and miss." At the end of that round, he was practically blind.

But, at the start, Jeff had nothing. Some of his efforts in the early rounds were pitiful. Johnson was his master at every point and is believed to have most sports to be the greatest all-around man the ring ever saw. Johnson's greatest triumph was when he brushed through his friends, who were congratulating him, in the ring, and walked to Jeff, taking his listless hands and apologizing for beating him up, and said he had no hard feelings.

Jeff has a record of 10 wins, 10 losses and 10 draws. He is now on his way back to his farm. He will go back to the farm Johnson says he will not fight again for a long time.

(The story of the fight will be found on the third page.)

DISAPPOINTED BARRE CROWD.

Fight Result Was Not Pleasing to the Majority Last Night.

When the news was flashed over the wire to The Times last evening and announced seventeen minutes ahead of any other, that Johnson had defeated Jeffries in the fifteenth round at Reno, the waiting crowd seemed stunned by the information. They had not been looking for a championship in years, and it was possible that the colored fighter could whip the white man so early. The "flash" announcing the black man's victory came, too, just after the story of the tenth round, when Jeffries seemed to be holding his own fairly well, and the crowd was again taking courage from his showing. But the story of the five succeeding rounds told plainly that the white fighter was weakening fast under the splendid boxing and generalship of Johnson, and that there could be no other result.

The end could not be called satisfactory to the crowd, as the most of them were rooting hard for Jeffries. Yet they were free to admit the superiority of Johnson when the last few rounds told their story. It was not a very demonstrative crowd, for the reason that their favorite was not getting in any of those terrible punches which had landed him the championship in years ago, and therefore, the announcement was received in grim silence or with expressions of surprise and disappointment.

That the public was greatly interested in the outcome of the fight was shown by the use of the telephone. The wire crowd had been kept busy from 5 o'clock until eight there was an almost continuous call from all the surrounding territory. One of the surprising features of the calls was the large number from women who seemed to take a great deal of interest in the news from Reno.

Good Deeds of One Automobile Club.

There is a famous automobile club at Norristown, Pa., the members of which, according to the Philadelphia Life for July, do many kind-hearted things. Of late years they have won the friendship of the youngsters of Norristown by giving them an occasional day's outing in the big machines. An arrangement has been made with those in charge of an amusement resort in the suburbs of Philadelphia, by which the children may be taken through the entire grounds. To each member of the club participating in the outing are assigned ten children to look after and amuse. The children are transported in the automobiles, and it is needless to say spend a day filled and running over with happiness.

The selection of children to take part in the affair is left with the local board of associated charities.

John Rayome, who fell 55 feet Tuesday at Addison Junction, N. Y., was brought to the Rutland hospital Sunday night. The funeral was held this afternoon at 2 o'clock, burial being held in Hope cemetery.

AMERICAN'S
RECORD GONE

Fast Flying at Rheims Today Surpassed Curtiss

LATTER WAS TWICE BEATEN

The Second Record To-day Was Made by Morane, Who Flew at a Rate Equivalent to a Mile a Minute.

Rheims, France, July 5.—Glenn Curtiss' world's record for 20 kilometers in an airplane was smashed to-day when LeBlanc in a Blériot monoplane went the distance equal to 12.62 English miles in fifteen minutes. Curtiss' time was fifteen minutes and fifty seconds and three-fifths. Later today LeBlanc's record was broken when Morane in a similar machine made the distance in thirteen minutes. This second flight was equivalent to 60 miles an hour.

CELEBRATOR KILLED
BY 40-FOOT FALL

Henry Garton of Windsor Was In a Crowd Hurrying After Ringing Factory Bell Yesterday Morning.

Windsor, July 5.—Henry Garton, proprietor of Garton's restaurant, died as the result of a fall yesterday morning. He was out early with companions for the purpose of ringing the factory bell, but the party was frightened by some people near there. In running away they came to the railroad bridge across Mill brook and Mr. Garton fell off the embankment in the darkness, striking on his head on the rocks, some 40 feet below. He fractured his skull and broke one arm. He was unconscious when picked up and remained so until he died two hours later.

He leaves a wife, Mrs. Nellie Decker Garton, and mother, Mrs. Joseph L. Garton, of Windsor.

FOUND DEAD IN GUTTER.

St. Albans Unfortunate Dropped at Roadside in Drunken Fit.

St. Albans, July 5.—Dr. Jemery met death Sunday morning in his worst form, dying in the ditch in a drunken fit. Jemery was first seen early in the morning when he accosted a stranger who arrived on the Montreal sleeper and offered to carry him to his home. The pair started off up North Main street, and less than an hour later Jemery was seen staggering down the Richmond tracks in the direction of his home; he was seen to stumble and fall several times and three different men went to his aid and tried to get him home; the officers were also notified and when they arrived on the ground, south of New street crossing, the man was dead.

The city officials, including the health officer, held an informal inquest and decided that the man had met his death from natural causes and ordered the body removed to Sullivan's undertaking rooms. Jemery was about 35 years of age and is supposed to have a brother living in Swanton.

ARE YET CHAMPIONS
OF NEW ENGLAND

Local Quoting Team Defeated the Chalmers from Hartford, Conn., Yesterday Afternoon by Score of 100 to 75.

By a lead of 27 points, the Barre Quoting club defeated the Hartford, Conn., team in this city yesterday afternoon and again successfully defended its title to the championship of New England.

The Barre club has won the cup and the fourth time it has won it since it was put up. Last year Barre took it from the Pawtucket, R. I., team. The total score yesterday was Barre 100, Hartford 75. Not one of the Barre quilters missed winning over his opponent. The match was witnessed by a large crowd of interested spectators. The match was pulled off at the Barre club's grounds on South Main street. The scores were as follows:

Main and Dick, Barre, defeated Montpelier and Hartford, 25 to 14; Rennie and Fowler, Barre, defeated Craig and Craig, Hartford, 25 to 23; Keith and Donald, Barre, defeated Christie and Potterfield, Hartford, 25 to 14; Craig and Gauld, Barre, defeated Grosier and Laird, Hartford, 25 to 22.

HEARING ON THURSDAY

Into Cause for Auto and Street Car Collision in Montpelier.

The Vermont public service commission will give a hearing Thursday, July 7, in the case of Mrs. George B. Almon, who was seriously hurt many weeks ago when an automobile in which she was riding was struck by a Barre & Montpelier trolley car in Montpelier. Mrs. Almon is still in the hospital at Montpelier, where she was taken immediately after the accident.

DEATH OF LITTLE GIRL.

Marie, Aged 9, Daughter of Mr. and Mrs. Rudolph Paragon.

The death of Marie, the nine-year-old daughter of Mr. and Mrs. Rudolph Paragon of Orwell street, occurred at the city hospital Sunday evening at 9:35. The child was taken to the hospital Friday, where she underwent an operation for the removal of a tumor. She died Sunday night, and the funeral was held this afternoon at 2 o'clock, burial being held in Hope cemetery.

SMOKER CARELESS
IN FIREWORKS STORE

Serious Loss at Newport Yesterday When Spark from Pipe Dropped Into Fourth of July Goods.

Newport, July 5.—A spectacular fire broke out in Davis & Livingston's show window yesterday afternoon at about 2:30 o'clock when a quantity of fireworks caught fire. The trouble was discovered by A. W. Livingston and a chemical extinguisher was immediately applied but it did not succeed in putting the fire out and an alarm was rung in. The department used their chemicals with good results. The building was occupied by Davis & Livingston, druggists; E. F. Humphrey, novelty store; the Vermont People's Telephone Co.; Theodore St. Germain, tailor; W. J. Avery, E. R. Burt, and A. D. Bennett, holders above the second floor. None of the members of these families was at home except E. R. Burt, who was sleeping but was awakened in time to escape suffocation.

The cause of the fire is not known, but it is supposed to have started by a spark from some smoldering pipe. The damage to Davis & Livingston is about \$5,000 from fire, water and smoke while it is uncertain what the damage to the rest of the tenants and the building will be but it is estimated at \$800, partly covered by insurance.

During the discharge of the fireworks rockets were sent in all directions and many people passing the street had narrow escapes from injury by flying missiles. No one was injured beyond a few slight burns and cuts from broken glass.

TWO ACCIDENTS
IN BURLINGTON

A. I. Hall, Chauffeur, Hurt in Collision with Max Kmetz Was Knocked Off a Street Car.

Burlington, July 5.—Although no accidents were reported yesterday directly due to the celebration of Independence day, two of a serious nature took place in the afternoon. The first one was on one of the crowded trolley cars at Ethan Allen park and the other was an automobile accident on South Union street, when a taxi cab crashed into a car owned by Dr. H. H. Watkins, injuring the chauffeur, A. I. Hall, severely. The man injured on the trolley car was Max Kmetz.

The automobile accident took place in front of the Kelly block, a short distance south of Main. Dr. Watkins had proceeded down the street and was following the taxi cab, which was being driven by the chauffeur, Dr. Watkins had his car, shot off the engine and had gotten partially out of the way when the other machine came along. The last car was coming with some speed for it pushed Dr. Watkins' car for several feet, although his taxi cab brakes were set. Hall was hurled with great force against the steering wheel of his machine and when Dr. Watkins, who was not injured, rushed to his assistance, he found him partially unconscious.

Dr. M. Sabins, who lives in the Kelly block, also saw the injured man's assistance, carrying him into his office, where the physicians made a cursory examination. They feared internal injuries and decided to take him to the Mary Fletcher hospital, where he was resting comfortably last evening.

It is supposed that Hall's attention was attracted away from the front of the machine, for Dr. Watkins had stopped his car some time before. The front of the taxi cab was damaged to some extent, but the car of Dr. Watkins, being of heavier build, was not injured beyond a broken lamp and some dent in the body. Mr. Watkins was in the car at the time but was uninjured.

Kmetz was knocked from the electric car by a pole near the entrance to Ethan Allen park. The car upon which he was riding was crowded and he did not pull himself in when the pole was reached. He was thrown violently to the ground and his stable arm was on the head. He was hurried to the Mary Fletcher hospital. He is a laborer and lives on Crowley street.

LARGE STABLE BURNED.

Joseph Gullander at East Barre Lost Property Early Sunday Evening.

The large lively stable in East Barre, formerly owned by M. E. Cutler, was burned to the ground Sunday morning with a total loss of about \$5,000 covered by insurance. The fire was discovered about 1:45 Sunday morning. The stable was for many years run by M. E. Cutler but for the past few years has been owned by Joseph Gullander. Ten horses were in the stable and four of the horses were gotten out and two others that had been driven out turned and ran back into the burning structure and were burned. Nearly all of the carriages, sleighs and harnesses were burned and the horses, owned by the town, which is kept in the stable went up in smoke. The horse was recently purchased by the town for \$800.

It was first thought that the fire was caused by fire crackers which were being set off near the stable during the night but on further investigation it has been decided that the building was struck by lightning and the hay in the loft set fire by the bolt. Efforts of fire fighters could make no headway in stopping the flames in the hay and the building. It is said that Mr. Gullander and his stable were in the stable and put up a horse only a very short time before the fire broke out.

There was insurance of \$4,500 on the building and all the personal property in the Vermont Mutual Fire Insurance company.

BOY BADLY HURT.

Horse Wound Barbed Wire Around His Leg at Randolph Center.

Randolph Center, July 5.—Carl, the 13-year-old son of C. L. Sanford, met with a serious accident Sunday. A horse became entangled in barbed wire and wound it around the boy's leg below the knee, causing a fearful wound. Dr. Angell and Hayward were called, and boy carried him to the hospital at Randolph Center. It is feared that the boy will lose the leg.

RESTRICTED
CELEBRATION

It Commenced on Time and Ended on Time in Barre

WITH NO SERIOUS RESULTS

A Single Call for Firemen, Little Work for Police and No Hospital Cases Tells the Story of the 1910 Fourth of July.

Police, firemen and physicians unite in the belief that yesterday's Fourth in Barre was a model so far as serious disorders, fires and injuries were concerned. On top of that, the records would also indicate that Barre was quite decorous on the nation's birthday. Of course, there was the usual fanfare and blare of wind instruments, the shouting and popping of explosives and a general hullabaloo which young America thinks it must give vent to in order to celebrate the day right; but it was not connected with anything distressing, disgraceful and destructive results.

Although the firemen were ready at a moment's call at all hours of the day and night, their services were required only once and then for a slight blaze on Elm street. Someone early Monday morning tried to burn down C. O. Averill's billiard hall opposite the Mathewson school on Elm street, but the fire had got only a meagre start when discovered. A telephone call to the central station brought out the chemical engine at about 1 o'clock, and two hand chemicals soon quenched the flames. The billiard hall was erected only a few days ago, and was not a very pleasing sight to people in that part of the city. Chief Gladstone said he couldn't tell whether the fire was purposely set or not. That call was the only piece of work the firemen had to do.

The City hospital has not a single patient whose presence there was caused by celebration of the day, and the physicians throughout the city were very largely free from calls for assistance because of unwise acts. There were some minor accidents, such as slight powder burns, but nothing of consequence.

Chief Sinclair and his patrolmen report that the day was "safe and sane" from their standpoint. There were five special police, but the grand show of noise did not start until the clock indicated that the nation's birthday had arrived and loose rein to celebrators had been given. Even then the celebrators were decent about it, and the police were rarely called to subdue them. The noise stopped, too, last night as suddenly as it started, and well-groomed main streets to-day gave no indication of the revelry of the day before.

Band concerts, baseball games, picnics and sports filled up the waking hours of the day, the gloomy weather of the morning turning into a comfortable summer afternoon, just right for outdoor enjoyment. Business, except for the restaurants and the other dispensers of refreshment for the inner man, was suspended. For them, it was anything but a day of rest. Many of the granite plants, which shut down Saturday afternoon, have not resumed yet, this giving their workmen an extended vacation.

Taking it all in all, Barre hasn't anything about its 1910 celebration to look back upon with regrets.

MANY BALL GAMES
OVER THE FOURTH

Barre Fans Permitted to See Some Good Matches and Others That Were Poorly Played—There Were Six in All.

Baseball games and concerts by the Barre Citizens' band were the chief attraction in Barre over the Fourth. There were ball games enough and some to spare, as no less than six games were played on Saturday afternoon and Monday. The bar had the two contests in the city park during the day, one at 10 o'clock in the morning and the other at 8 o'clock in the evening, and at 8 in the afternoon played at the ball game at the Berlin street grounds.

The Fifth Infantry ball team from the Plattsburg barracks played two games at the Berlin street grounds Monday afternoon what was supposed to have been the Barre Independents, but what proved to be only a scrub team, as the regular Barre was in Rutland. The soldiers were a fast aggregation of ball players and had no difficulty in putting the Barre team to rout. The first game ended 7 to 0 in the soldiers' favor and the afternoon game was called off at the end of the seventh with the scores 14 to 3 for the visitors.

Good-sized crowds were present at both of these games and were no little disappointed that the regular Barre team was not present, as the visitors have no doubt the fastest team that has been here this summer, and with a good team to work against would have made an interesting day of it for the fans.

However, the large crowd which went to the Goddard campus yesterday saw two fast and well-played games between the Italian Athletic club and a semi-professional team from Claremont, N. H. The morning game resulted in a 4 to 3 victory for the Italians, and in the afternoon Claremont turned the tables and won out 7 to 5. Olsen pitched the morn-

ING GAME FOR THE ITALIANS, AND DOPPINI

the afternoon game.
The Italians also had a close game with the colored team from Fort Ethan Allen on Saturday afternoon at the latter's park, which the locals won by a score of 5 to 3. The Barre Independents played the Montpelier picked team at the Berlin street grounds Saturday afternoon to a fair-sized crowd. Barre won out 7 to 1 in seven innings. The game was stopped to allow the Barre team to catch the train for Rutland.

BARRE A. C. SPLIT EVEN.

Took Morning Game Against Proctor, Lost Afternoon Game.

Rutland, July 5.—The Barre Athletic club and the Proctor baseball club split even yesterday in two games, one played in the morning and the other at Proctor in the afternoon. Barre won the first, 14 to 7, and Proctor the second, 7 to 2.

A. O. H. PICNIC ENJOYED.

Nearly 400 Persons Attended It at Caladonia Park Saturday.

The sixth annual outing of the Ancient Order of Hibernians of Washington county was held at Caladonia park Saturday, the picnic being largely attended, nearly 400 persons being present. Baseball, football, hurling, throwing the shot, jumping, running and dancing were features of the picnic.

The baseball game, between the married and single men, was won by the former by the score of 5 to 4. The game was played more scientifically by the married men than in former years, as a competent pitcher had been found in W. C. Quinlan. M. W. Nelson acted as umpire, his wise decisions materially helping in bringing about the result.

The result of the other games was as follows: Broad jump, Thomas Leary, 1st, 16 feet, 6 inches; Thomas Dineen, 2d, 16 feet; T. McKoff, 3d, 15 feet, 8 inches; hop step and jump, Thomas Leary, 1st, John Dineen, 2d, M. Keefe, 3d, 36 feet, 8 inches; fat men's race, Dennis Dineen, 1st, Helen Morrison, 2d, Annie O'Keefe, 3d; boys' race, Carroll, Marion, Coyne; quilting, Michael O'Keefe, 1st, W. Hantahan, 2d, Dan McGovern, 3d.

WITH MASONIC HONORS.

Funeral of Alex. E. Bruce Was Conducted on Sunday Afternoon.

The funeral of the late Alexander E. Bruce, who died Thursday night, was held at 2 o'clock Sunday afternoon from the Universalist church, Rev. Edward C. Downey officiating. The services were very largely attended, the church being crowded with people. The organizations which turned out in a body were St. Alderman commandery, No. 11, K. T. Granite lodge, No. 35, F. and A. M., and the Burns club. Solos were sung during the service by Dr. D. C. Jarvis and L. G. Griffiths. Music was furnished by the choir.

A list of the flowers contributed is as follows: Bows, Mrs. T. T. Daniels and family, Mr. and Mrs. G. W. Mann, G. E. McFarland and wife, Mr. and Mrs. J. A. Healey, Mr. and Mrs. G. W. Milne, C. W. Melcher and family, W. H. Hadley and family, class of 1908, S. H. S. Boutwell, Milne & Varnum, Mr. and Mrs. Matt. Healy, Grace church, Mr. and Mrs. Alex. Milne, W. G. Reynolds, nations, Mr. and Mrs. Will Duprey, Mrs. L. H. Davis and family, Mr. and Mrs. James Milne, Ella Joselyn, Mr. and Mrs. J. J. Coyne, Mr. and Mrs. William Hurry, Mr. and Mrs. G. R. Robinson, ladies' union, Mr. and Mrs. Irish and family, Mr. and Mrs. J. W. Goddard, L. P. Austin, Mr. and Mrs. James Higgins, Mr. and Mrs. Charles Williams, Mr. and Mrs. Wallace Bruce, Mr. and Mrs. E. K. Ellis, H. B. Boughton, Mrs. Mary Mackie; set pieces, St. Alderman commandery, Granite chapter, Keystone lodge, employees from quarry at Graniteville, Burns club, wreaths: Granite Manufacturers' association; Stephen & Gorrard Co., wreath.

NEARLY 80 YEARS OLD.

Mrs. J. H. Blaisdell Died This Morning.

Funeral on Friday Afternoon.

The death of Mrs. Emmaline (Smith) Blaisdell, wife of Justin H. Blaisdell, occurred at her home on Washington street this morning at 6:40 o'clock, after a week's confinement. Mrs. Blaisdell had been a sufferer from heart disease for the past three years, but had been confined to the bed for only a week. She is survived by her husband and a brother, C. E. Smith of this city, and one sister, Mrs. Rosette L. Whitney of Lincoln, Neb.

Emmaline Smith Blaisdell was born on October 24, 1830, in Dorchester, N. H., she being the eldest of eight children born to Elephat and Sallie K. Smith. She came to this city in 1857, and has since resided in the house on Washington street where she died. Her marriage to Mr. Blaisdell took place in this city December 3, 1857. Rev. A. M. Whitney, pastor of the Methodist church at that time, performed the ceremony. Mrs. Blaisdell was one of the oldest residents of the city. She was a member of the Methodist church and had always enjoyed the respect of the community in which she lived.

The funeral will be held at her late home Friday afternoon at 2 o'clock. The burial will be in the Elmwood cemetery. Her sister, Mrs. Whitney, is expected to arrive from Lincoln, Neb., in time for the obsequies.

DEATH OF MRS. M. A. SMITH

After Several Months' Illness with Heart Disease.

Mrs. Elsie (Mann) Smith, wife of Martin A. Smith, died at 1 o'clock this forenoon at her home in Calais, after a long illness with disease of the heart. She had been ill since last March and most of the time was confined to the bed. A peculiar coincidence is that the death of Mrs. Smith's mother occurred 17 years ago yesterday.

Mrs. Smith was the daughter of N. W. Keith and was born in Marshfield May 10, 1848. She was first married to Albert N. Mann July 30, 1867, his death occurring in September, 1872, leaving one son, G. Elgin Mann of Calais. October 29, 1877, she married Martin A. Smith. She is survived by her husband, her son, G. E. Mann, and one daughter, Mrs. Walter S. Ford of Calais, besides her twin sister, Mrs. Ellen K. Parks of this city, and two brothers, Levi and Almon Keith, also of this city.

Funeral arrangements have not yet been completed.

IDENTIFIED
PART OF GOODS

Which Was Seized by Police When Youth Was Arrested

FOR RECENT ROBBERIES

Ernest Raymo Captured This Forenoon and Some of Goods Taken from Shepherd's Store Were Found at Place Where He Worked.

On suspicion of having been implicated in the robbery of Earl S. Shepard's sporting goods store, Ernest Raymo, a boy 17 years of age, was arrested this forenoon at the farm of Fred Leonard in Berlin, where he is employed. Chief Sinclair and officer George Carle drove to the farm this forenoon and found the boy there. They then searched his room and found two revolvers, two hunting knives in leather cases, and a large quantity of 22-calibre revolver cartridges.

The officers brought the boy and the goods to the station in this city, and Mr. Shepard was called in this afternoon to look over the weapons. Mr. Shepard at once identified one revolver and both of the knives as having been missed from his store since the two robberies were made there. The revolver was identified, was in a leather holster with a cartridge belt attached. This, Mr. Shepard says, belongs to Allen McClellan of Graniteville, the man who claims that his team was stolen from Brooklyn street Sunday afternoon. The revolver had been brought to the store to be repaired.

The cartridges, Mr. Shepard states, are like those missing from his store. As to the other revolver, he was unable to state positively whether it was his or not. The boy's home is in this city, and he has been arrested on the charge of stealing once before, according to the police. Suspicion was thrown on the boy through information which Mr. Shepard recently acquired from a man who came to his store with a revolver and some cartridges which would not fit the revolver he had. The boy is being held in the station awaiting the action of the grand jury.

Officer Carle says that when the boy was arrested no mention was made of Shepard's store, but when Mr. Leonard asked the boy what trouble he was in, the boy replied that he was wanted for breaking into Shepard's store.

DIDN'T STEAL HORSE
PRISONER CLAIMS

Henry Hamel of Graniteville Figures In a Peculiar Case, Allen McClellan Claims Horse Which Hamel Says He Got at Stable.

The police court doings over the Fourth was comprised of four cases, one for horse stealing, two for intoxication and one for breach of the peace. The alleged horse stealing case is brought against Henry Hamel of Graniteville, and he was arraigned in city court yesterday and placed under \$1,000 bail for his appearance for a hearing to-day. He was unable to furnish the bail and was taken to the county jail for safe keeping.

The circumstances connected with this case as far as learned are of a most peculiar nature. Hamel claims that the horse he is accused of stealing is one that he hired at a stable in Graniteville, Allen McClellan claims to be the owner of the horse and he told the police that he drove to this city from Graniteville Sunday afternoon and hid the horse beside the road on the Brooklyn street. About an hour later, when he went for his team, he found it gone. He then reported his loss to the police and after a short hunt it was found that the team had been driven into Jones &
